IMPACT TO COMMERCE OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (006729): Deletes all language after the enacting clause. Establishes a task force to study various issues relative to TennCare. Requires the Chairs of the Health Committee of the House of Representatives (HHC) and the Commerce and Labor Committee of the Senate (SCLC) to each appoint three members of the General Assembly to the task force and authorizes the staff of the HHC and the SCLC to provide support to the task force if requested. Requires the task force to provide a report with recommendations to the HHC and the SCLC by January 15, 2018, at which time it shall cease to exist.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Increase State Expenditures – Exceeds \$2,100/FY17-18

Assumptions for the bill as amended:

- The six legislative members will receive per diem of \$220 for each one-day meeting and will be reimbursed for mileage at a rate of \$0.47 per mile.
- The increase in state expenditures for per diem is estimated to be \$1,320 (\$220 x 6) for each one-day meeting.

HB 807 – SB 1364

- The increase in state expenditures for mileage is estimated to be \$739 ($\0.47×262 miles roundtrip \times 6 members) for each one-day meeting.
- The total increase in state expenditures for the task force is estimated to be \$2,059 ($\$1,320 + \739) for each one-day meeting.
- It is unknown how many times the task force will meet prior to January 15, 2018; therefore, it is assumed expenditures will exceed \$2,100 in FY17-18.

Assumption for the bill as amended:

- Requiring the task force to study various issues relative to TennCare will not have an impact on commerce or jobs in Tennessee.
